

Dear Customer

THANK YOU for your purchase at **Lednordic**

We hope you enjoy your purchase with us and enjoy the little glimpses of life.

Manual for : Pillar Candles

1. Remove the base of the candle carefully by turning the base
2. Insert the batteries and replace the base carefully
 - a. please NOTE if candles use C-Battery and there are 2 spring in buttom – battery still have to be placed +/-
3. Turn to ON at the buttom
4. Use the remote control (if you purchased one) to control your candle
5. Please note RIKA/Maya is with timer so cannot use remote.
6. Please note black candles cannot use remote control.

Should you have any questions about the product, you are more than welcome to contact us.

With best regards

LED  NORDIC

Enjoy the little glimpses
